Jim,

Have you checked with Burt? The lots may be considered work areas and physical plant is staying away. If I see Burt I will ask. You can also call work control to inquire.

Hi Steve,

What is going on with the plowing of our parking lots? Lower lot and the new lot have not been plowed for the last 3 storms. We can't get deliveries to lab because the lower loading dock is blocked by snow. I emailed Burt Ewart but heard nothing. What can we do????
